Martin J. Walsh  
Secretary  
Department of Labor  
200 Constitution Ave. NW  
Washington, DC 20210

Dear Secretary Walsh,

On behalf of the [Nursing Community Coalition \(NCC\)](#), which includes [63 member organizations](#), we congratulate you on your confirmation as the 29<sup>th</sup> Secretary of Labor and welcome the opportunity to meet and discuss shared goals, especially during these unprecedented times. The NCC represents a cross section of education, practice, research, and regulation within the nursing profession and believes that the healthcare delivery system should be one that promotes wellness, advances research through scientific discovery, and provides timely access to care across the life continuum. We look forward to working with you on our shared priorities, especially as nurses, Advanced Practice Registered Nurses (APRNs)<sup>1</sup>, nursing students, and nurse leaders represent the largest segment of the healthcare workforce.

As we have witnessed during COVID-19, and other public health emergencies, nurses and APRNs are at the front helping lead the healthcare response. Throughout your time in public service, you have recognized nurses' dedication to the health of our nation and the need for additional nurses and APRNs as we continue to address current and future health care challenges. As you continue to support the profession, we look forward to working with you on issues impacting the nursing workforce.

If the Nursing Community Coalition can be of any assistance to you or your staff, and to set up a meeting to discuss shared goals, please do not hesitate to contact the coalition's Executive Director, Rachel Stevenson, at [rstevenson@thenursingcommunity.org](mailto:rstevenson@thenursingcommunity.org) or at 202-463-6930, ext. 271.
